WICHITA Region

Dear Stan:

I sure was happy to get your letter of Sept. 23rd, to find someone who would volunteer to be contact man for the WICHITA Region. Since Gary Nichols was sent overseas, Mrs. N. didn't want to be responsible for the region money, so she returned it to our National Treasurer, to keep until the region would get back on it's feet.

The charter was not revoked, but to get back as an active region, you will have to have 13 PCA members in good standing, you will need officers to comply with the region's by-laws as well as PCA National. The officers you appoint, could hold office until you could have a region election. It will be necessary for the region to submit a REGIONAL REPORT FORM, which I will be mailing to the regions sometime in November. This is a must for all regions to remain active, and entitle them to the region refund from dues.

I will change your region to be WICHITA, as well as Art Jones, I know he will be a big help to you. I am enclosing a list of the members from the WICHITA Region. We have not changed anyone already in the region, just those moving into the area, or if a new member came in, we might have sent to KANSAS CITY Region for endorsement. All these members on the list should be contacted and let them know you are reorganizing. Any new applications you send in, please endorse as WICHITA Region. I will send new applications under separate cover. Enclosing also a BULLETIN that just went out to all the Regions. Note, there will be an increase in membership dues, for all applications that are received after Oct. 30th in this office. Those coming in after that date are considered as members joining as of Jan. 1, 1969. They will receive the Dec. PANORAMA free.

I think it would be well if you dropped Paul Heimiller, Editor of PANORAMA a line, telling him you are trying to reactivate, and maybe some of those closer to you than to KANSAS CITY Region want to change regions. This could be done at Renewal time, but I would prefer they write in, or you send me a list of those who want to be members of the WICHITA Region.

Had a call from Manson Mathis, MAVERICK Region and he told me he would try to find a contact for the WICHITA Region at there get together sometime in Oct. I believe. I'm sure all the regions will be glad to

help you get back as an active region. If I can be of any further help, please let me know. My sincere thanks, and I will notify Paul to put your name, address and phone number for the contact of the WICHITA Region in PANORAMA.

Sincerely yours,

Mrs. Jane H. Nestlerode
Executive Secretary

Dear Jane:

Our by-laws were ratified by the membership last night and, as promised, enclosed are two copies.

We had a great attendance - about 30 people. For the Wichita area, that's unheard of. We hope to top the 30 member mark within a month and hope to have 50 by the end of the year.

We received our money being held in escrow and the regional refunds. Thanks for having it sent. The effect was like a transfusion!

See you next weekend in Dallas.

Regards,

Stan Simm
