

Wichita Region Porsche Club of America

Membership Meeting Minutes – May 16, 2018

The meeting was held at the Mini dealership at 13th and Greenwich. Thanks to Walser for attending and to the catering crew for their hard work and excellent meal. There were 30 members in attendance.

Membership Update, Barry Anderson – Barry reported that we have no new members this month. We lost 11 primary members this month, all owners of Cayennes and Macans. One new member, Matt Lo was at the meeting. We currently have a total of 168 primary members and 243 total members.

Charity Report, Jeff Reisman – Jeff was not able to attend the meeting. Our balance is around \$1800. The bucket was passed for additional donations to the fund.

Autocross Report, Tom Zickuhr – Tom reminded members that the next autocross event will be held next Sunday at Road Yoder. We have 11 registered so there is room for more. We will be starting at 10 AM. Tom also reported that the portapotty has been paid for by the truck driving school that uses the runway during the week so we will not have that expense this year. He also reported that we are getting a new battery for our timing display. The last event of the spring series will be June 10.

Treasury Report, Carl Compton – Carl could not attend the meeting so no treasurers report.

Racing Update, Terry Morris – Terry discussed the results at a couple of events in the area. The first was a Club Racing event at Heartland Park on April 28 and 29 and the second is Mayfast at Hallett on May 6 and 7. At Heartland Park Terry and his son in law ran the DE. The new car that Terry built for his son in law ran well. Terry got a 1st and a 2nd and may need to work on ways to slow his son in laws car for future events.

Porsche Parade 2018 - Registration is open but will be closing on June 3. Please see Julie with questions about the event.

Social Activities, Dan McKenzie – Dan reported that the Winfield trip went very well. The next event will be a tour on June 2 to the Lumber Yard Restaurant in Zenda, KS. This restaurant is owned by the parents of Martina McBryde and is a popular destination for car club tours. Other events are being planned. The Mercedes club will be having an event at the Yacht Club and Cheney Reservoir on June 2 as well.

Dealership Update, Taylor – Taylor from Walser reported about Sports Car Together Day on June 9 which is a celebration of Porsches 70th birthday. Members are encouraged to come out and bring their sports cars. We would like to get at least 70 cars for the 70th birthday. Some members cars will be displayed in the showroom. If anyone is interested contact Taylor. Note that this event will be held in the new Porsche building! Taylor also reported that there will be an official grand opening event for the new building on Thursday, September 13 with entertainment and dignitaries from Germany attending. More news on this event as it gets closer.

Michelin Tire Experience – Julie Bailey reported about this event which was held in Greenville, SC. She was invited to this womens event by National. It was a 3 day event with karting, proving grounds driving and autocross events in both the wet and the dry. It also included a Michelin factory tour. More information will be in the National weekly e-mail update.

After Holiday Party Prize – At the After Holiday Party one of the prizes was a pastel drawing of the winners vehicle donated and to be drawn by Brenda Zickuhr. Woody Swain was the winner of this prize. Woody provided Brenda a photo of his 911 Cab and Brenda completed the drawing and presented it to Woody at the meeting.

Next Monthly Dinner Meeting – In June there will no dinner meeting because the Sports Car Together Day will be just a few days before the normal meeting day. The next monthly dinner meeting will be held at the Porsche dealership on Wednesday, July 18th.

Respectfully submitted,

Scott Orr

Secretary, Wichita Region, Porsche Club of America
