count is 216: 138 principal members and 78 associates (3 new associates added in November.)

Members were encouraged to add associates at no additional cost to your membership on the national website because the club will receive additional quarterly funds when you do.

New member Phil Parrish is designing a club marketing brochure to distribute to potential members.

Treasurer's Report:

Treasurer Luke Lear submitted a report that the club balance of funds is \$10,741.56 including \$1,790 in the Charity Fund.

Autocross Report:

Tom Zickuhr has agreed to assist in finding a new Autocross coordinator. Club will give gifts to the Yoder track landowner and tenant.

Legal Issues:

A guest shared that his car insurance had been cancelled because the agency received information that he had been racing his car and he wanted to know if our club might have shared such information. Terry Morrison advised that neither auto-cross nor driver's education events qualify as racing (where your car passes another on a track.)

Next business meeting is scheduled December 18, 6 pm, at Walser Porsche Dealer.

Club adjourned at 7:50 pm.

Respectfully submitted,  
Jan Arbuckle  
Secretary, Wichita Region Porsche Club of America
