

**Wichita Region Porsche Club of America
Business Meeting Minutes –October 21, 2020**

President Jeff Reisman convened the club meeting at Walser Porsche Dealer at 7:25 pm following dinner. 23 members and guests were in attendance. Because of the COVID 19 epidemic, regular monthly business meetings and most other club sponsored events since February 19 had been cancelled.

PRESIDENT’S REPORT:

President Jeff Reisman explained that in order to social distance, our future business meetings will be held at Walser Porsche Dealer until further notice and future meals will be “served” instead of packaged as they were at this meeting. He announced that current club officers will continue their appointments into 2021.

SOCIAL REPORT:

Dan McKenzie announced that the club’s Photo Bomb Rally was a big hit on September 26 and Luke Lear won first place prize. Dan is considering a breakfast drive for club members to Andale; details to be announced.

60th Anniversary Celebration: Looking at a party in January 2021. A committee will be charged with details. RSVP’s with deposit will be expected.

Scott Orr asked whether the Prost socials for club members on the first Tuesday of the month are on the calendar. Nothing has been officially organized at this time.

MEMBERSHIP REPORT:

Scott Sherraden reported that the quarantine has been good for attracting new members – 2 to 3 people have joined every month since February with used (as opposed to newly purchased) cars (12).

Please upload pictures of your cars to our facebook page (Wichita Region, Porsche Club of America.)

TREASURER'S REPORT:

Treasurer Luke Lear reported that the club balance of funds is \$8,239.08 including \$441 in our Charity Fund. Because of the unusual events of 2020, we will not distribute any 2020 charity funds.

AUTO CROSS REPORT:

Twenty two participants enjoyed the October 18 Auto Cross despite problems with the Walkie Talkies which have now been replaced. The next scheduled Auto Cross on Oct 25 is cancelled due to foul weather forecast. We will try November 8, assuming weather is okay. Safety chairman Terry Morris warned members to change out your summer tires now.

ADJOURNMENT:

Next club business meeting is scheduled November 18, 2020, 6:30 pm, at Walser Porsche Dealer.

Club adjourned at 8:10 pm.

Respectfully submitted,
Jan Arbuckle
Secretary, Wichita Region Porsche Club of America
